Re **CC Docket No. 02-6**  
Request for Review of Administrator's Decision  
FCC Form 472 BEAR Invoice #2805130  
Funding Application #579663  
FRN 1612875  
Applicant Floyd Municipal School District (BEN 143331)

With this letter Floyd Municipal School District ("FMSD") appeals a 7/27/2018 decision by the Universal Service Administrative Company ("USAC") to deny FMSD's appeal of USAC's 4/30/2018 decision to deny payment on FCC Form 472 BEAR Invoice #2805130 (the "BEAR Form") seeking reimbursement for services funded under FRN 1612875 (the "Funding Request").

FMSD prays that the Federal Communications Commission will direct USAC to disburse funding to it in the amount of the committed funding for the Funding Request.

## **Background**

On 4/27/2018 FMSD submitted the BEAR Form requesting reimbursement of \$1,592.68 for E-Rate program support for Funding Year 2007 eligible expense for services provided by New Mexico RSA4 East-Limited Partnership ("NM RSA4 East") (SPIN 143001087) under FRN 1612875. However, since the committed funding amount for FRN 1612875 was \$1,168.32, reimbursement in that amount was expected.

On 4/30/2018 USAC's Ms. Antonina Parisi via email<sup>1</sup> rejected the reimbursement request, stating that "This invoice cannot be processed due the Invalid SPIN 143001087".

---

<sup>1</sup> See 4/30/2018 Email from Antonina Parisa, attached hereto as Exhibit A.

The FCC Form 472 User Guide provides that with respect to the SPIN to be entered in an FCC Form 472 reimbursement request, “Please be sure to obtain this information from your FCDL for the Funding Request Numbers (FRNs) for which you are seeking reimbursement”<sup>2</sup>. In the underlying Funding Application<sup>3</sup>, SPIN 143001087 for service provider NM RSA4 East does in fact appear as the service provider for FRN 1612875, and it was SPIN 143001087 which appeared in the Funding Commitment Decision Letter.

USAC’s SPIN Changes webpage<sup>4</sup> specifies that the SPIN for a funding request can be changed in the event of an acquisition or merger. Records from New Mexico’s Secretary of State show that this entity was registered with that office on 9/19/1995<sup>5</sup>, and that the registration continues to be active<sup>6</sup>. This demonstrates that the service provider continues to be an independent entity (and therefore not the object of an acquisition or merger). Therefore, the SPIN which appeared on the Funding Application is the SPIN which must properly appear on the FCC Form 472 reimbursement request, and USAC erred in its rejection of the reimbursement request.

In its 7/27/2018 decision on appeal USAC provided the following rationale for its denial:

The service provider cited on your invoice is no longer active in our system, therefore your appeal is denied. Review FCC Order 15-53, released may 8, 2015 for information on the acquisition.

The order which USAC cited<sup>7</sup> (the “AT&T-Plateau MO&O”) provides only for the assignment of cellular license KNKN598 and International Section 214 Authorization ITC-214-20030912-00435 – i.e., a license to use or operate an apparatus for the transmission of energy or communications or signals by radio and a related authorization for certain international communications services – and does not provide in any manner whatsoever for any acquisition or merger.

## **Analysis**

FMSD submitted an FCC Form 472 reimbursement request in compliance with FCC rules and USAC’s published procedures. In particular, the SPIN which appeared on that

reimbursement request is the proper SPIN. Nevertheless, USAC erred by declining to honor the reimbursement request.

In USAC's denial of FMSD's appeal, USAC essentially provides two reasons for its denial. First, USAC states that the service provider is no longer active in its system; and second, USAC states that an acquisition occurred (of New Mexico RSA4 East-Limited Partnership and related entities by AT&T Inc.).

Regarding USAC's systems, USAC erred in deleting its service provider record for NM RSA4 East from its systems. This service provider was and is an independent entity, and it is and forever will be the entity that provided the funded services.

USAC further erred by claiming that an acquisition occurred (which could lead to a SPIN change). The AT&T-Plateau MO&O which USAC cited in its appeal denial decision does not provide for any acquisition or merger; it merely grants approval for NM RSA4 East and related entities to convey radio licenses and related authorizations.

**Request for Relief**

For the reasons stated in this letter, FMSD requests that the Commission direct USAC to disburse to FMSD the \$1,168.32 committed funding amount for FRN 1612875.

Respectfully,

E-RATE SUPPORT SERVICES

- f. ☐ Check this box if you are receiving any of the funds in Item 25e directly from a service provider listed on any Forms 471 filed by this Billed Entity for this funding year, or if a service provider listed on any of the Forms 471 filed by this Billed Entity for this funding year assisted you in locating funds in Items 25e.

26. ☒ I certify that all of the schools and libraries or library consortia listed in Block 4 of this application are covered by technology plans that are written, that cover all 12 months of the funding year, and that have been or will be approved by a state or other authorized body, and an SLD-certified technology plan approver, prior to the commencement of service. The plans are written at the following level(s):

- a. ☐ an individual technology plan for using the services requested in this application; and/or  
 b. ☒ higher-level technology plan(s) for using the services requested in this application; or  
 c. ☐ no technology plan needed; applying for basic local, cellular, PCS, and/or long distance telephone service and/or voice mail only

27. ☒ I certify that I posted my Form 470 and (if applicable) made my RFP available for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted were carefully considered and the most cost-effective service offering was selected, with price being the primary factor considered, and is the most cost-effective means of meeting educational needs and technology plan goals.

28. ☒ I certify that the entity responsible for selecting the service provider(s) has reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that the entity or entities listed on this application have complied with them.

29. ☒ I certify that the services the applicant purchases at discounts provided by 47 U.S.C. Sec. 254 will be used solely for educational purposes and will not be sold, resold, or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. Sec. 54.500(k). Additionally, I certify that the Billed Entity has not received anything of value or a promise of anything of value, other than services and equipment requested under this form, from the service provider(s) or any representative or agent thereof or any consultant in connection with this request for services.

30. ☒ I certify that I and the entity(ies) I represent have complied with all program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments. There are signed contracts covering all of the services listed on this Form 471 except for those services provided under non-contracted tariffed or month-to-month arrangements. I acknowledge that failure to comply with program rules could result in civil or criminal prosecution by the appropriate law enforcement authorities.

31. ☒ I acknowledge that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of benefits from those services.

32. ☒ I certify that I will retain required documents for a period of at least five years after the last day of service delivered. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the application for, receipt of, and delivery of services receiving schools and libraries discounts, and that if audited, I will make such records available to the Administrator. I acknowledge that I may be audited pursuant to participation in the schools and libraries program.

33. ☒ I certify that I am authorized to order telecommunications and other supported services for the eligible entity(ies) listed on this application. I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this application, that I have examined this request, that all of the information on this form is true and correct to the best of my knowledge, that the entities that are receiving discounts pursuant to this application have complied with the terms, conditions and purposes of this program, that no kickbacks were paid to anyone and that false statements on this form can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. Secs. 502, 503(b), or fine or imprisonment under the Title 18 of the United States Code, 18 U.S.C. Sec. 1001 and civil violations of the False Claims Act.

34. ☒ I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed, and will

35. ☒ I certify that if any of the Funding Requests on this Form 471 are for discounts for products or services that contain both eligible and ineligible components, that I have allocated the cost of the contract to eligible and ineligible companies as required by the Commission's rules at 47 C.F.R. Sec. 54.504(g)(1),(2).

36. ☒ I certify that this funding request does not constitute a request for internal connections services, except basic maintenance services, in violation of the Commission requirement that eligible entities are not eligible for such support more than twice every five funding years beginning with Funding Year 2005 as required by the Commission's rules at 47 C.F.R. Sec. 54.506(c).

37. ☒ I certify that the non-discounted portion of the costs for eligible services will not be paid by the service provider. The pre-discount costs of eligible services features on this Form 471 are net of any rebates or discounts offered by the service provider. I acknowledge that, for the purpose of this rule, the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product constitutes a rebate of some or all of the cost of the supported services.
